Date: 13th June 2026

Announcement for Researchers

We are seeking scholars, professors, and students interested in conducting research on Jainism and Science, or any other subject related to logical interpretation of Jainism in the modern context. The research work may be full time, on-line or part-time. Suitable scholarship/ grant is available to the selected candidates regardless of whether they are already receiving another fellowship or salary. Interested candidates may email their CV and area of interest to aniljain57@hotmail.com and send a copy to Mrs. Purvi Dave, Scientific Secretary (m9712897976@gmail.com). Please ensure that the subject line of the email reads "Research in Jainism and Science".

Professors in Hindi literature, Physics with mathematical Physics may contact me directly to discuss some projects.
